USGA Rules Govern All Play

- Environmentally Sensitive Wetlands defined by Blue stakes. Any ball coming to rest in the wetlands shall be played as a hazard. Yellow-tipped Blue stakes define Water Hazards and Red-tipped Blue stakes define Lateral Water Hazards. Please do not enter these areas to retrieve your ball.
- White stakes or lines and perimeter fences define course boundaries and out-of-bounds.
- Yardages measured to the center of the green.
- Players are expected to keep up with the group in front and play without delay. A group stopping at the turn will lose their position on the golf course.
- Power carts are required to remain on cart paths at all times.
- Proper golf attire is required. No denim allowed.
- Mandatory Spikeless Golf Cleet Policy: Metal spikes are not permitted in season.
- Please replace divots, repair ball marks on greens and rake bunkers after use. Bunker rakes should be placed inside the bunkers, with the handle lying outside the bunker.
