LOCAL RULES

USGA Rules shall govern all play except for the following.

1. **IMMOVABLE OBSTRUCTIONS:** If cart paths, protective fences, pipes, ropes, lateral stakes, guy wires, wooden steps, flower beds, french drains, distance markers or hole signs interfere with a player's stance or swing, the ball may be dropped in accordance with the "OBSTRUCTION RULE" (24-2). NOTE: The player must determine the nearest point of relief without crossing over, through or under the obstruction.
2. **Protection of young trees identified by stakes:** If such a tree interferes with a player's stance or the area of his intended swing, the ball must be lifted, without penalty, and dropped in accordance with the procedure prescribed in Rule 24-2b (i) (Immovable Obstruction). The ball may be cleaned when so lifted. (Rule 33-8).
3. **Bridges and Cement within the boundaries of the water hazards** are considered "Integral Parts" of the course, therefore no free relief if they interfere with swing or stance.
4. **Mandatory free relief for swing and stance** must be taken from 150 yard bushes, one club length, no closer to the hole.
5. **Stones in bunkers** are declared movable obstructions (Rule 24-1) and may be removed.

• You are responsible for any injury to people or damage to property caused by your actions, including errant golf balls.

www.americangolf.com

6. **Embedded Balls:** Anywhere "through the green," a ball which is embedded in its own pitch mark in the ground, except in loose sand, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole. (Rule 20).
7. Anywhere "through the green," conditions that result from unintentional land shifting, such as cracks, fissures, fault lines and embankments, shall be deemed "Ground Under Repair." Player may proceed under Rule 25-1.
